1. Who is responsible

Nhill Solution, with its head office in Kinshasa (Democratic Republic of the Congo), is the controller of the processing described here. Contact for any question about your data: info@nhill.online.

This policy covers: visitors to the nhill.online website, people who write to us or fill in a form, users of the Nhill Business, Nhill POS and Nhill Console applications, and people who contact support.

It does not cover the data each business records in Nhill about its own customers, suppliers and employees: the business is responsible for it and Nhill Solution processes it on its behalf, as a processor (data processing agreement, document 06).

2. Data, purposes, legal bases, retention

Processing	Data	Purpose	Basis	Retention
Website forms (demo, assisted free trial, partnership, question)	name, organisation, e-mail, phone, city, sector, number of users, message, consent choices	answer the request	steps requested before a possible contract	deleted automatically 12 months after sending
Protection of the website against abuse	non-reversible fingerprint of the IP address (HMAC), calculated when a form is sent	limit repeated submissions	legitimate interest (security)	30 days
News from Nhill (if you agreed)	e-mail, name, date and wording of the agreement	send you news, at most once a month	consent, which can be withdrawn at any time	until withdrawal, and at the latest until the request is deleted
User accounts	name, e-mail, phone, language, role, password fingerprint (Argon2id), sessions	provide the Service, account security	contract with the business	life of the account
Activity and security log	actions, date, IP address, device	security, proof of operations	legitimate interest	term of the business's contract, then 90 days

Processing	Data	Purpose	Basis	Retention
Subscriptions and payments	business, account holder, plan, payments	manage the subscription, invoice	contract; accounting obligations	term of the contract; accounting records 10 years
Support	messages, useful technical details (no password)	answer, fix	contract	term of the business's contract
Operating statistics	overall figures per business (number of documents, volumes per currency, active users)	operate the Service and support	legitimate interest	term of the business's contract
Technical server logs	IP address, date, request	security, diagnosis	legitimate interest	90 days at most

We do not sell personal data and do no advertising profiling. The website sets **no cookie** and uses no audience measurement tool (document 04).

3. Recipients

- the members of the Nhill Solution team who handle your request or provide support, within the limits of their duties;
- our host, Hostinger International Ltd (61 Lordou Vironos str., 6023 Larnaca, Cyprus), which provides the server of the Nhill service, located in France;
- the provider that delivers our e-mails, for the messages we send you;
- the payment provider the business uses to pay its subscription, for that payment only;
- authorities, on lawful request.

We do not pass your data on to any advertiser.

4. Where the data is

The data of the Nhill service is hosted on a server located in France, in the European Union, and backed up every day in encrypted form. The Nhill Solution team, based in Kinshasa, accesses it remotely, over encrypted connections, for operations and support. For a person or business located in the DRC, this hosting is a transfer of data outside the country.

5. Security

Encrypted connections (HTTPS), each business's data kept separate from the others' in the database, passwords stored as fingerprints, mandatory two-factor authentication for platform administrators, limited and logged team access, encrypted backups. Summary: document 13. In case of a data breach that presents a risk, we inform the people and businesses concerned (procedure: document 14).

6. Your rights

You can ask for access to your data, its correction, erasure or portability, the restriction of its use, object to its use and withdraw at any time your agreement to receive news, by writing to info@nhill.online (optional form: document 19). We answer within one month. If we have reasonable doubts about your identity, we may ask you to confirm it.

If you use Nhill within a business, first send your request to that business: it decides how its data is used, and we help it answer you.

You can also contact the competent data protection authority of your country, for example, if you live in the European Union, that of your Member State.

7. Employees of businesses

Nhill's activity log records the actions of each user in the application. The employing business is responsible for this processing and informs its staff (model notice: document 17).

8. Minors

The Service is intended for professionals; it is not designed for children.

9. Changes

We update this policy when our processing changes; the version date appears at the top of the text. Significant changes are notified to subscribing businesses.
