Nhill

Become a Nhill partner

You know traders and SMEs? Help them keep better track of their sales, stock and till.

Type	Your role	What you get
Referral	You introduce Nhill to your network.	Commission agreed in writing on referred customers' subscriptions.
Installation and support	You install, import data, provide first-level support.	Your services, invoiced to your customers; possible commission.
Training	You train users with our materials.	Your training; Nhill materials free.
Entrepreneur support	You offer Nhill to the businesses you support.	Reserved places in the assisted free trial, free workshop for your members.

Our shared rules

- Present Nhill as it is: management software, not certified for the DGI standardised invoice
- Only pass on a contact with the person's consent
- Never ask a trader for a password
- No partnership announced without a signed contract

nhill.online · info@nhill.online

Nhill is management software; it does not replace the DGI standardised invoice. Real Nhill 3.0 screenshot (French interface) — demo business.
