Nhill

Assisted free trial

30 days to try Nhill in your business, with your products. Free, supported, no purchase commitment.

What we provide

- Nhill Business, and Nhill POS if you have a till
- Installation on your devices and import of your products
- Training for each user
- A weekly check-in and support during working hours
- At the end, the export of your data (CSV, PDF)

What we ask

- Use Nhill for a real part of your business
- A contact person, 20 to 30 minutes a week
- Report problems, answer two short questionnaires
- A Windows or Linux computer, or an Android 7+ tablet, and Internet

How it works

1. Trial request (website or e-mail)
2. Demo with your products and acceptance of the trial terms
3. Onboarding: half a day
4. 30 days of use, a weekly check-in
5. Review, and a written proposal to continue if you wish

Request the trial : `nhill.online · info@nhill.online`

Nhill is management software; it does not replace the DGI standardised invoice.
